Certificate of Completion

This is to certify that

Ammu S

Completed 6 week Internship on **Artificial Intelligence & Machine Learning** in collaboration with **All India Council for Technical Education (AICTE)**, implemented by **Edunet Foundation**, from **10th Dec, 2025 to 21st Jan, 2026.**

Your participation and engagement during the training is greatly appreciated.

CSRBOX - AICTE Internship Offer Letter

Dear Mr./Ms Ammu S

Internship ID: 202526AICTECSRBOX0860

Date: 12/6/2025

Congratulations on being selected for the **6-week Virtual IBM SkillsBuild Applied AI Internship 2025**, offered in collaboration with **AICTE**. We are pleased to welcome you to this exclusive industry-aligned internship, designed to develop practical, job-ready skills in **Generative AI, Agentic AI, automation, workflows, and modern AI integrations** using tools such as **IBM Watsonx, IBM Granite, Python, Google Colab, and Relay**.

This internship features a curated learning experience with hands-on training, guided mentorship, expert-led masterclasses, and real-world AI project development aligned with the **UN Sustainable Development Goals (UN SDGs)**. Upon successful completion of all requirements, you will receive an **Official Internship Completion Certificate**.
The internship is scheduled from **08 December 2025 to 16 January 2026**.

Key Benefits of the Internship

- Access to the Digital Learning Platform with **85,000+ curated industry-relevant courses** on emerging technologies.
- A project-based, collaborative learning environment for enhanced practical understanding.
- Expert-led masterclasses conducted by Subject Matter Experts (SMEs).
- Opportunity to work on **real-world AI projects** demonstrating practical capabilities.
- Earn **industry-recognized certifications** from AICTE and CSRBOX to strengthen your professional profile.

This internship will help you build strong capabilities in **machine learning, data analysis, problem-solving, critical thinking, innovation, and applied AI implementation**, enabling you to become industry-ready professionals.

Internship Timeline and Structure

Weak 1	**Orientation Session –** Introduction to IBM SkillsBuild platform, internship flow, expectations & tools
	IBM SkillsBuild Learning Plan + IBM Badge – Generative AI principles, advanced prompting, chatbot development, AI-enabled software development workflows, and agentic AI capabilities.
Weak 2	**Masterclass 1: Prompt Engineering –** Agent deployment, embedding in apps, UI basics, demonstration workflows
	Mentoring Session 1 – Industry-led discussion on role expectations, responsibilities, and career pathways
	Masterclass 2: Generative AI for Development – Adding tools, memory systems, integrating external datasets & APIs
Weak 3	**Masterclass 3: Building AI Agents –** Agent deployment, embedding in apps, UI basics, demonstration workflows
	Masterclass 4: Agent Workflows & Automation – Automated action configuration, Agent workflows, integration of tools and triggers, & practical real-world automations
Weak 4	**Masterclass 5:** Capstone Project & Design – Framing the problem, planning architecture, guidance for building the final AI solution
Weak 5-6	**Mentoring Session 2** – Expert guidance on final project planning, structuring, and execution readiness
	Project Creation & Submission – Building a functional AI Agent using Python, Colab & Relay; documentation

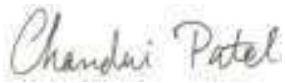
---

Certification Requirements

- Complete the assigned learning plan on the Digital Learning Platform.
- Develop, submit, and present a final project.
- Adhere to the internship schedule, masterclass participation, and all program guidelines.

Stipend: Please note that this internship is unpaid.

We look forward to your active participation in this dynamic and impactful learning experience.



Chandni Patel

Associate Vice President – People and Culture

Undertaking Agreement

I, **Ammu S** from **Lovely Professional University (LPU)**, currently undergoing an internship at CSRBOX, hereby undertake and agree to the following terms:

1. I shall attend all weekly virtual sessions organized by the CSRBOX team and complete the courses assigned to me during the internship. In case of any inability to attend, I shall promptly communicate the same to the CSRBOX team.
2. I shall ensure the timely completion and submission of my internship project and deliver a presentation within the stipulated timeline in order to successfully complete the internship and earn the certificate.
3. I shall maintain proper decorum during all weekly virtual sessions and shall adhere to the ethical standards and code of conduct prescribed by CSRBOX under the SkillsBuild program. I shall refrain from any act of indiscipline or misconduct.
4. I understand and acknowledge that my internship may be terminated at any stage under the following circumstances:
    - Absenteeism from masterclasses and mentor-led sessions
    - Lack of progress on the assigned project as identified by the team CSRBOX
    - Being unresponsive or unreachable by the CSRBOX team
5. I further acknowledge that my internship may be terminated forthwith in cases of misbehavior, incitement of hatred, indiscipline, habitual insubordination, or any other conduct deemed inappropriate or unacceptable by the CSRBOX team.

I hereby declare that I have read, understood, and agree to abide by all the terms mentioned above.

Sincerely,
